

Another project...yes another.

I am a sucker for a good mystery...a great mystery book, or a great mystery quilt. Right now, my current love is a mystery quilt...this...

It doesn't look like much right now, but so far...I'm liking it. I had a stash of Civil War Reproduction fabrics in cheddar and I decided it was time to use them. I added a black and a green each with a touch of cheddar too. I am anxious to see how this is going to turn out. If you want to join the mystery fun, Judy at [Patchwork Times](#) has all the clues. So far we just started clue two so there's still time to jump in and join the mystery.
