[Way back in July](#), I was busy working on this project....Dash Away All.

It's a Christmas tree skirt made with my Accuquilt GO! The people over at Accuquilt had asked if I would put together a couple Christmas projects and write patterns for them. This is one of the patterns. You can find the pattern [here on Accuquilt's site](#). Here's more news....all the dies to make it are 20% off. So you might want to take advantage of that. It's a facebook exclusive sale that [you can find here](#).

If you haven't signed up for the free Accuquilt patterns, you can do that by clicking on the icon below. The patterns show great projects you make with the dies you already have...or the dies on you wish list. If you don't have a AccuQuilt cutter...no worry. Many of the patterns can be adjusted and made with your rotary cutter too.
