

Giveaway Day...AGAIN!

WOW...what a response from yesterday's "chicken" giveaway. I never realized SO many people had chickens! Well the winner of the goodies was...CindyC. I have contacted her.

I have another lot of goodies today...

This is all things SNOWMAN. There are several patterns here including a wool pattern.

This has been SO nice to get these things out and to a home where someone else can love them...I will pick a winner tomorrow and show you the quilt I just finished up!
