

# Kelli Takes on the Grand Canyon!!

A post from Kelli-

A while back my mother in law Renee asked her mom, Jason's Grandma Lois where she would go if she could go anywhere. Her response was that she would like to go to the Grand Canyon. Well this week we made that happen!

I took a ton and a half pictures that I'm going to share, but I thought I'd give you a quick sneak peak so you could share in all of the fun we've had! As a side note, I'm trying to write this on my phone, so bear with me as all of the images and spelling may not be perfect.

So there are just a few of the pictures that we took! I have tons more that I'm going to be using for a little project for a gift. I'd love to share all of the fun that we've had making such wonderful memories!
