

Trunk Shows and Workshops

Kelli and Jo are available to travel to quilt guilds and organizations for trunk show/lectures and workshops.

Trunk show lectures are approximately 60-75 minutes long and are suitable for a guild program or evening events. The lecture will include a trunk show of quilts. Our topic now is about how we went from quilters in our sewing room – to bloggers – to getting a book published. It's a fun presentation with a little bit of comedy thrown in too.
