

**Jimmy John**

**Finished Quilt Size:** 66 1/2" x 86"

**Fabric Requirements:**

- 1 Jelly Roll with 42 strips (If your Jelly Roll does not have 42 strips, you can purchase 2- 1/4 yard cuts and cut 2- 2 1/2" x WOF strips (one from each 1/4 yard cut) for a total of 42- 2 1/2" x WOF strips)
- 1 3/4 yards neutral background
- 1 1/4 yard coordinating fabric to be used in the top/bottom border and binding
- 4 yards backing

**\*\*Note WOF means the width of the fabric\*\***

**Cutting Instructions:**

From 2 Jelly Roll strips:

- Cut a total of 14- 2 1/2" x 6" rectangles

From neutral background:

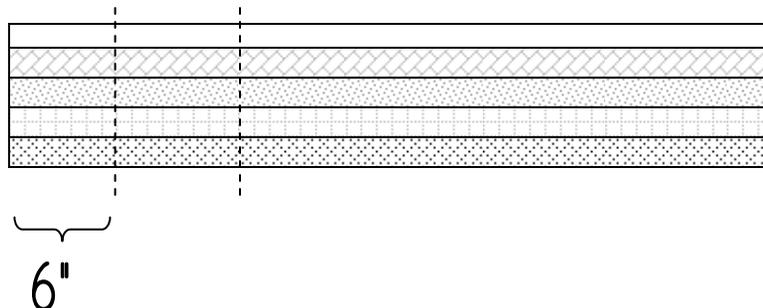

- Cut a total of 8- 2 1/2" x WOF strips
- Cut a total of 8- 4 1/2" x WOF strips

From coordinating border and binding fabric:

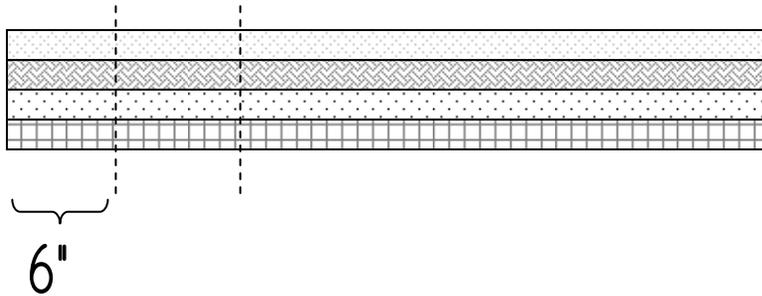

- Cut a total of 4- 4 1/2" x WOF strips
- Cut a total of 8- 2 1/2" x WOF strips

**Sewing Instructions:**

1. Using the remaining 40 Jelly Roll strips, sew together lengthwise in sets of 4 to create 10 strips sets of 4- 2 1/2" x WOF strips.
2. Join a neutral background 2 1/2" x WOF strip to 8 of the strip sets created in step 1.
3. Cut each of the strip sets created in step 2 into 6" segments for a total of 56 segments (4 color segment).

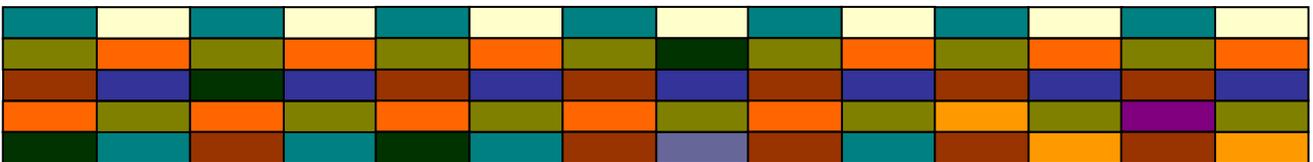

4. Using the remaining 2 strips sets created in step 1, cut each strip set into 6" lengths for a total of 14 new segments.

5. Using the individual segments cut from the 2 additional Jelly Roll strips, add a 6" rectangle to each of the 14 segments cut in step 4 (5 color segment).

6. To make the side columns, join 7- 4 color segments and 7- 5 color segments in an alternating pattern. Make 2.

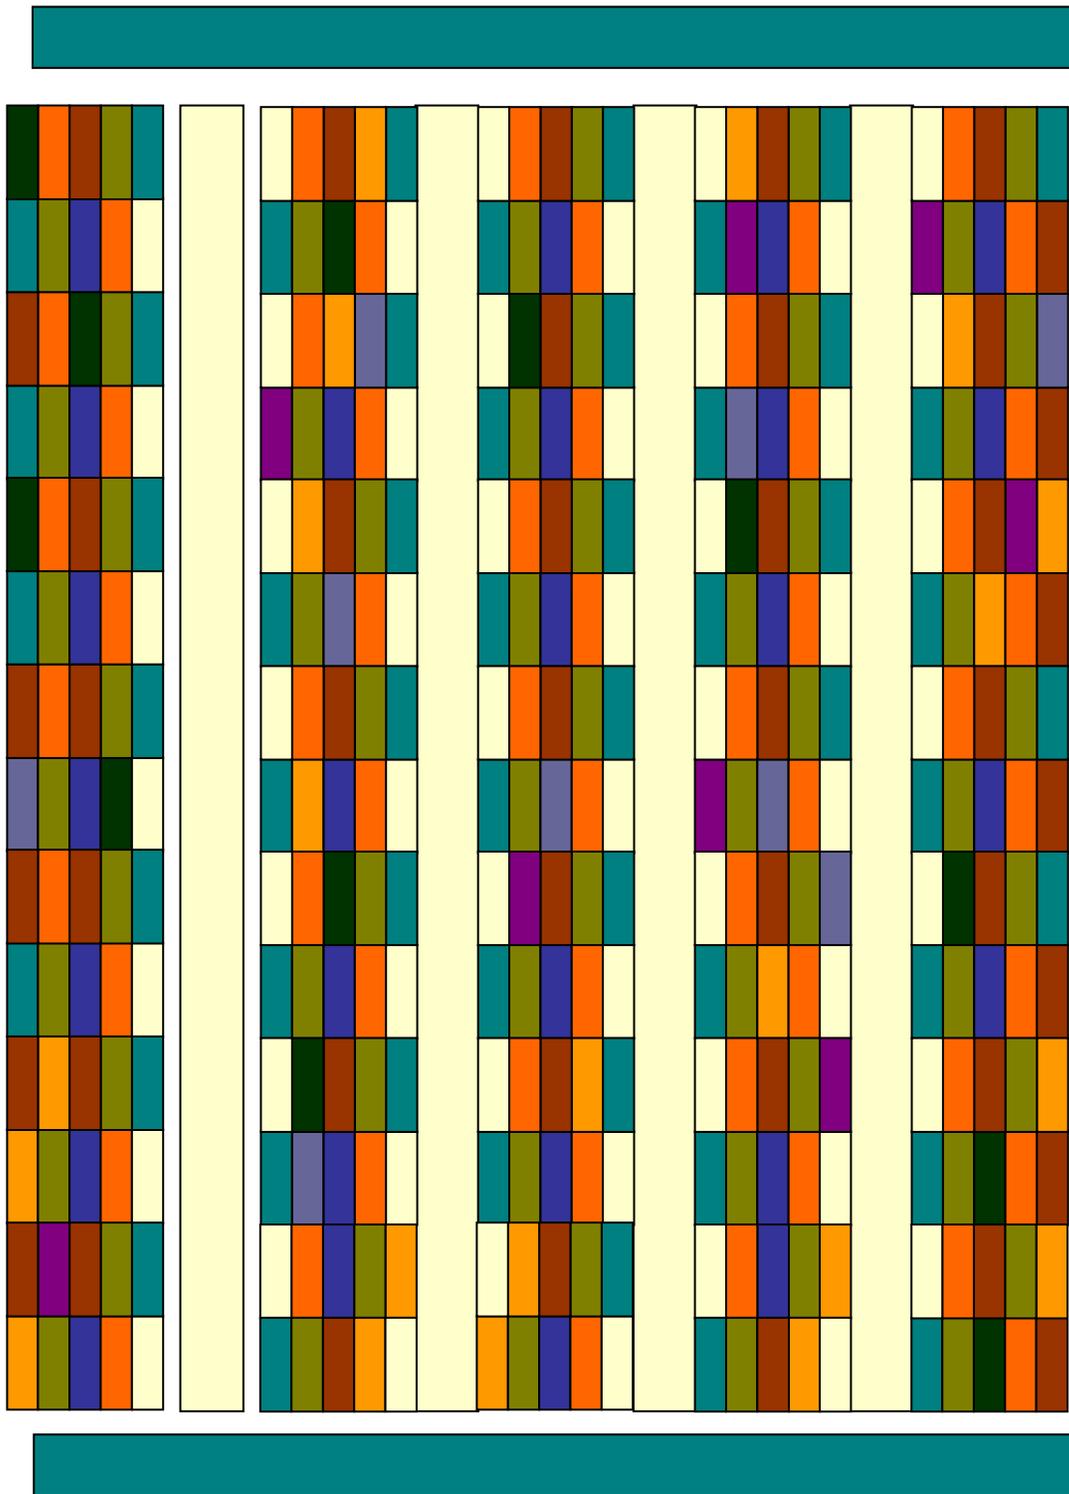

7. To make the 3 middle columns, join 14- 4 color segments, making sure to switch the neutral rectangle to opposite sides. Repeat to make a total of 3 columns.

8. Join 2- 4 1/2" x WOF neutral strips with right sides together. Repeat to make a total of 4 long strips. Cut each strip to 77 1/2" long.

9. Join the side columns, long rectangle strips, and middle columns to create the center of the quilt.

10. Join 2- 4 ½" x WOF coordinating fabric strips. Repeat to make a second set.
11. Measure your quilt horizontally through the middle. Cut each of the lengths created in step 10 to this measurement. Attach to the upper and lower edges of the quilt.

12. Quilt as desired.
13. Attach the 8- 2 ½" x WOF strips from the coordinating fabric on the bias. Bind.
