Sewing Instructions:

****TIP:** This quilt is made in strip sets and then cut down from there. These segments will then be put together to make smaller horizontal strips that will be joined to create columns. The columns will be sewn together to complete the quilt.**

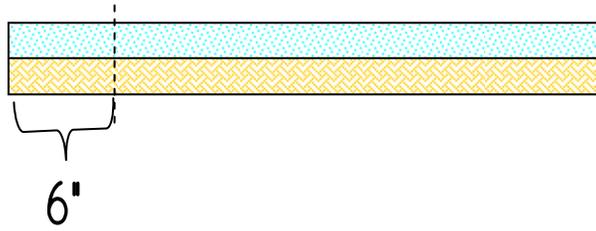

1. Two Color Segments: Sew 8- 2 1/2" x WOF strips to a second 2 1/2" x WOF strip on the long side. Press to the darker color. Make 8 strip sets. Cut into 52- 6" segments.

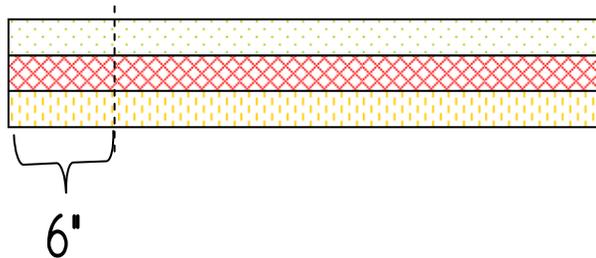

2. Three Color Segements: Connect 3- 2 1/2" x WOF strips on the long side. Press in one direction. Make 8 strip sets. Cut into 56- 6" segments.

3. Two Light Segments: Sew 2- 2 1/2" x WOF together on the long side. Press. Make 9 strip sets. Cut into 60- 6" segments.

4. Three Light Segments: Connect 3- 2 1/2" x WOF strips together on the long side. Press. Make 5 strip sets. Cut into 30- 6" segments.

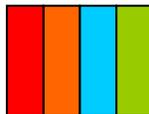

Side Columns:

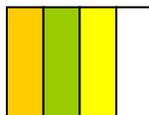

5. Refer to the chart below for the number of each kind of unit to make. Join parts as listed, left to right.

Four different parts will need to be made to complete the 2 side borders.

-Part A is made of 4 colored 2 1/2" x 6" rectangles. This parts will be made by joining 2- 2 color segments. You will need to make a total of 4 Part A's.

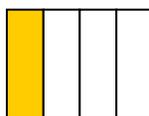

-Part B is made of 3 colored 2 1/2" x 6" rectangles and a single 2 1/2" x 6" light rectangle. This part will be made by joining 1- 3 color segment and a single 2 1/2" x 6" light segment. You will need to make a total of 8 Part B's.

-Part C is made of 2 colored 2 1/2" x 6" rectangles and 2 light 2 1/2" x 6" rectangles. This part will be made by joining 1- 2 color segment and 1- 2 light segment. You will need to make a total of 12 Part C's.

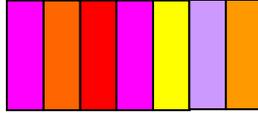

-Part D is made of 1 color 2 1/2" x 6 1/2" rectangle and 3 light 2 1/2" x 6 1/2" rectangles. This part will be made by joining 1 single colored rectangle and a 3-light segment. You will need to make a total of 6 Part D's.

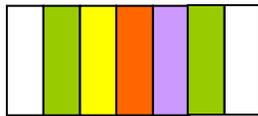

Middle Columns:

7. Please refer to the chart below for the number of each kind of unit to make. Join parts as listed, left to right.

-Part 1 is made of 7 colored $2\frac{1}{2}$ " x 6" segments. This part will be made by joining 1- 3 color segment to 2- 2 color segments. This can be done in any arrangement. You will need 8- Part 1's.

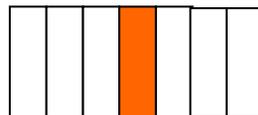

-Part 2 is made of 2 light $2\frac{1}{2}$ " x 6" segments and 5 colored $2\frac{1}{2}$ " x 6" segments. This part will be made by joining 1- 2 colored segment to 1- 3 colored segment. A single $2\frac{1}{2}$ " x 6" light rectangle will need to be added onto each side of the 5- color segment. Make 16- Part 2's.

-Part 3 is made of 4 light $2\frac{1}{2}$ " x 6" rectangles and 3 colored $2\frac{1}{2}$ " x 6" segments. This part will be made by sewing a 2- light segment to each side of a 3- color segment. Make 24- Part 3's.

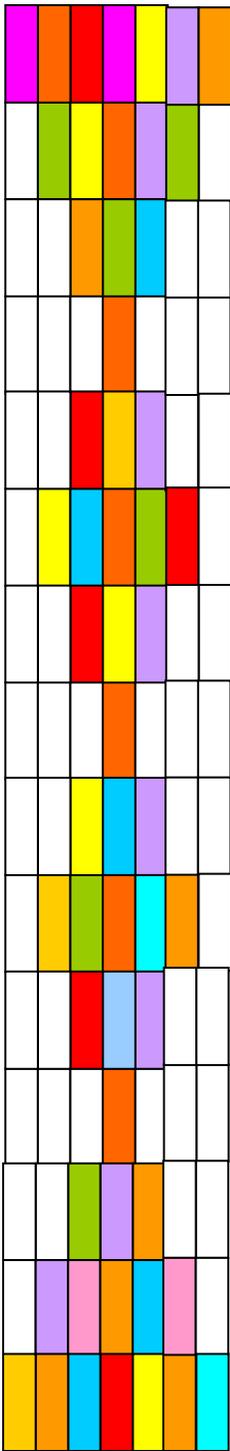

-Part 4 is made of 6 light $2\frac{1}{2}$ " x 6" rectangles and a single $2\frac{1}{2}$ " x 6" colored rectangle. This part will be made by joining a 3- light segment to opposite sides of a single colored $2\frac{1}{2}$ " x 6" rectangle. Make 12- Part 4's.
