

Flying Geese Table Topper

Finished Block Size: $4\frac{1}{2}$ " x $2\frac{1}{2}$ "

Finished Quilt Size: 13" x 13"

Fabric Requirements:

$\frac{3}{4}$ yard of black-background fabric, backing and binding
Scraps of cheddar fabric at least $2\frac{1}{2}$ x $4\frac{1}{2}$ in size

batting at least 14" x 14"

Cutting Instructions:

From cheddar fabric

Cut 18- $2\frac{1}{2}$ x $4\frac{1}{2}$ cheddar rectangles

From black fabric

Cut 36- $2\frac{1}{2}$ x $2\frac{1}{2}$ squares

Cut 2- $2\frac{1}{2}$ " strips

Save rest for backing

Sewing Instructions:

This pattern is written to make the flying geese blocks using the flip corner method. Feel free to make them using whatever method you prefer to get $2\frac{1}{2}$ x $4\frac{1}{2}$ unfinished blocks.

Draw a diagonal line corner to corner on the black square pieces.

Place the square on top of the rectangle, right sides together (RST), as shown above.

Sew on the line.

Cut $\frac{1}{4}$ " from the sewn seam.

Press

Repeat for opposite side.

At this point the pieces should measure $2\frac{1}{2}'' \times 4\frac{1}{2}''$.

Make 18.

Sew together three rows with six blocks in each row.

Sew the strips together as shown.

Quilt as desired. Bind.
